

Global Protection Day Cream

1703C-PDC

This very light and hydrating daily cream will totally protect your skin.

Thanks to an SPF 15, your skin is protected from UV damage. Our **Marine BlueVital C** counteracts the ageing process. Finally, our **Marine CellShield AP** completely blocks the pollutants from urban or indoor dust.

Your skin tone will be even, whilst imperfections and redness are concealed in an invisible manner.

Global Protection Day Cream

1703C-PDC

Appearance: Light colored fluid emulsion. Easy to apply with a rapid penetration time. Leaves a non-greasy protective film, with a velvety finish.
pH= 5,5 - Viscosity (20°C): 124 800 mPa.s (LV3; 0,5 rpm)

Procedure :

At room temperature, prepare phase 3. Mix well ingredients together by using high shear if possible. When phase 3 is homogeneous, add phase 3 to 2.
Heat separately phase 1 and 3 + 2 to 75 °C.
At temperature, add phase 3 + 2 to 1 whilst stirring moderately.
Homogenize using Ultra Turrax (2 min at 7000 rpm). Allow to cool down whilst stirring moderately.
Add phase 4 below 40°C and leave stirring for few minutes.

50+ Reveal Beauty Night Care

2004B-RBNC

At night it's the best time to replenish the skin's density and fill in wrinkles. When you wake up, your skin is fully beaming.

Rich in **Natura-Tec Plantsil™**, a precious sensorial ingredient based on olive oil, and in **Natura-Tec Marine BlueRevelation 50+™**, a powerful cocktail of microalgae, this beneficial anti-wrinkle night cream works on all fronts to regenerate mature skin. Sleep becomes truly restorative. Upon awakening, the skin is smooth and wrinkles are filled.

With proven efficacy, **Natura-Tec Marine BlueRevelation 50+™** provides an integrative approach to enhance mature skin beauty thanks to its remarkable anti ageing properties : moisturizing, firming, densifying, and smoothing 50+ skin.
